DIMAS TEJONE FANI

Data Analyst

Yogyakarta | +62 852 3322 8320 | dimastejo0010@email.com | [Portfolio](#)

SUMMARY

I'm data enthusiast. I'm interested in mathematics and now I also interested in machine learning and data analytics. I have specialize in programming language such as Python. I also specialize in SQL. I'd love to learn more about machine learning and data analysis.

EXPERIENCE

PT Dicoding Academy Indonesia - Bandung, Indonesia
Machine Learning Path Student (February 2023 – August 2023)

- Learn about data analytics like prepare data, process data, and analyze data using Python and a bit SQL.
- Learn about machine learning like regression, classification, transfer learning, convolutional neural network, and so on.
- Doing capstone project which is collect data, clean data, make model for machine learning to make application.

Universitas Gadjah Mada - Yogyakarta, Indonesia
Laboratory Assistant of Numerical Linear Algebra (August 2022 - December 2022)

- Teaching student about basic python.
- Teaching student how to implement the numerical linear algebra topics using python.
- Help lecturer to make assignments and score them.

EDUCATION

SMA N 1 Boyolali (2016-2019)
Mathematics and Science

UNIVERSITAS GADJAH MADA (2019 - 2023)
Bachelor of Mathematics - GPA 3.59

CERTIFICATIONS

- [Bangkit Certifications](#)
- [Analyze Data to Answer Questions (Coursera)](#)
- [Prepare Data for Exploration (Coursera)](#)
- [Process Data from Dirty to Clean (Coursera)](#)
- [Machine Learning (Coursera)](#)

VOLUNTEER

Gadjah Mada University – Yogyakarta, Indonesia
Staff of Logistic Division – LMNas 30/Semnastika 11

Gadjah Mada University – Yogyakarta, Indonesia
Chief of Pemira (Pemilihan Umum Raya) Himatika 2021

SKILLS

- Python (Intermediate)
- SQL (Novice)
- Ms. Excel (Intermediate)
- Tableau (Intermediate)
- Data Analyst (Novice)
- Data Cleaning (Intermediate)
